

## INVISIBLE GIRL

A forgotten girl, alone on the porch,  
gave up the race and threw down the torch.

A scared girl, hiding her fears,  
threw up her hands after eighteen years.

A lonely girl lost on the highway  
forgotten in a haze of gray.

A stupid girl with a silly plan  
found herself struggling because of a man.

A young girl, who had fallen apart,  
remembered her father's hardened heart.
